As one of Southern California well established event companies Orbit Party Rentals receives daily requests for donated equipment and services. We have developed a program to address these requests in a fair manner. Our Silver Star Partnership was created to monitor the needs of the community and the goals for Orbit Party Rentals community out reach. The following is an application for you to complete and returned to Orbit Party Rentals for your event. Our Management team evaluates applications quarterly. Please submit your application 120 days prior to your event.

Please be aware that this program is part of ***our yearly marketing and advertising budget.*** As such, we *too* have reasonable expectations for granted donations, as they afford us opportunities to develop future business with attendees of the event and supporters of your cause. All assurances that you can provide us this opportunity will enhance our consideration of your application.

We hope your event will be executed flawlessly and meet all of your expectations.
